PhysEd

We went to watch Matilda the musical at Theatre Llylyn Ysgol Wnffyllin. The Theatre seats were Surpiseing comfy but I think I would of seen better from the back.

The production of Matilda the musical began with the children Singing miracle where there singing about how there parents like them then Matilda comes in singing how her parents hate her. All songs they sang where Phenomenal. All the Soloists were amazing aswell although you cant really hear the people at the back.

The acting was extraordinary especially miss Trunchbull who actually Scared me with her whistle and she can stay still for so long. I really liked the escapologist and acrobat when she did the moves. Matildas Class was great and so was her family and Rudolpho was so funny aswell. Amanda thre hair swing was great aswell luckily it was just a dummy. The Spelling test was great aswell.

The setting and props were fantastic aswell I liked the blocks/seat which said matilda and the neat and Mrs Phelps library.

The Coustume and makeup was amazing aswell Miss Trunchbulls make up was so realistic and she looked reall old and the coustume was Extraordairy

★ ★ ★ ★ ★ Five stars
