## Poppy

Hi, I am Poppy,

I am 11 years old. I started riding ponies when I was very young. My first rides were when my mum was riding at a show, I would sit on her pony on the way back to the lorry after she had ridden.

I got my first pony, called Katie, for my first birthday and I still have her now! But obviously I don't ride her anymore as she is only a Shetland (in other words a very small pony).

I have ridden lots of different ponies over the years and have competed in lots of different competitions. I have won area dressage, Royal London, Radford's and many more.

In September I am going to Oswestry School because I have a scholarship for Equestrian and Sports.

In the future, I want to try and get to the top level. I would like to represent Great Britain at the Olympics. My dream job is to be a riding instructor.

## Elsa

My name is Elsa I am 11 years young

Ever since I started gymnastics I wanted to be a world gymnastics champion

My first club was border counties school of gymnastics where I started my gymnastics journey, I had to leave the club because I kept winning and needed to be challenged.

Next, I went to park Wrekin so I could be challenged I came 2<sup>nd</sup> in the club competition. It was a bit too far to travel with it, being in Telford.

Now I go to Shrewsbury gymnastics academy (SGA) and ive done grade 4 and 5 and I'm now working towards grade 3 I do gymnastics 11 hours a week. 9 and a half of them I do artistic which is beam bars floor and vault and 1 and a half of them I do rhythmic which is rope ribbon ball hoop and clubs.

In the future I want to carry on with gymnastics, but my dream job is to be a photographer for formula 1.
