

## Newsletter 15 – 21st January 2024

I hope this newsletter finds you well. Please see the following latest news:

1) **Inclement Weather** – If we had to close the school due stormy, wintry weather or utility failure, then we will inform you via email and through our website (you would be notified immediately if you subscribe). Please telephone the school from 8:15am if you are unsure whether you should travel, to inform us your child/ren will not be in or just want to check.

2) **New topic – Where has the time gone?**

We are looking at how things have changed over time. e.g., Clothes, Toys, Telephones / IT equipment, music, sport, items in the home, transport...

If you have any items or knowledge that could help, then please could you email the school office.

3) **Mental Health**

We will be emailing you a short Mental Health Survey tomorrow evening.
