RHAGOROL O'R TAP
WONDERFUL ON TAP

Recap time, in 2022 we started the transformation of our tired muddy area. We now have an amazing trim trail for both school and community use!

Thank you to the **National lottery** for awarding us with £10,000 to build this!

WONDERFUL ON TAP

In 2023, we were so lucky to be chosen and awarded £9875 from **Hafren Dyfrdwy** to create an inclusive seating, planting, and calming area. This is for the use of all & our community.

Thank you all for helping and supporting.
