

Ysgol Meifod Makeover Day – Saturday 13th April 2024

Thank you to the pupils, parents and staff for giving up their time and skills to make the day such a great success!

Back of the school – outside classroom

We had a visit from the senior Powys CC Foundation Phase Advisor last week, and she devised a plan with Mrs Whilding and us staff, for the area.

We are delighted to say that Phase 1 was completed on Saturday.

Phase 2 is being finalised with the Eco-School, pupils and staff. This area will now be worked on by them, over the next couple of weeks.

Front of the School

Mrs J Bullen won grants from The National Lottery (Play Area) and a community garden area (Hafren Dyfyrdwy), at the front of the school.

This already looks great and the children love it. Mrs Bullen and helpers have done an amazing job on this and we are very grateful. She is keen to finish it. Please contact her if you could help.
