

Newsletter 24 - 4th June 2024

Please see the following latest news:

1] New gate locking

Our new gate at the end of the path now has a lock and an intercom system. The gate will be closed but unlocked between 8:40-9am and 3:25-3:45pm. Outside of these times you will need to use the arrow keys to find School then press the bell. This will enable us to see who it is, speak to you and release the lock. Please ensure you arrive by 9am to avoid disturbing teaching time.

2] Parentpay accounts – Some parents have been wrongly charged £2.20 by Powys Catering, in April. Powys Catering assure us that this is being chased and will be refunded. We are chasing Parent Pay this week. If this happened to you then please do not pay it.

3] Breakfast Club

Breakfast Club opens at **8:20a.m.** in the Village Hall and children will go through into school at 8:40am, when the school will open. **Parents MUST sign their children in.** Arrangements are to enter through the hall, by the kitchen door (at the back), as before.

This is working very well in the Village Hall. It is located here following an Environmental Health visit in April, where the location (wet area of class 3) was given a 1 due to it being used for painting etc... (despite the few pieces of toast and cereal being away from this area). All the requirements of the report are fully addressed by using the Village Hall.

4] Swimming / 3G (Fridays)

Details sent out on email yesterday and in letter today. Please return goggles permission if required (back of letter). Parent Pay now has the bus charge each week of £3 and permission for your child to go swimming (all of the school is going together). Although some of you would probably prefer payment in one go, Parent Pay is not easy to use. The £3 bus charge and permission will therefore be loaded into Parent Pay at the beginning of each week, to avoid any confusion.
