1] Class 3 had an amazing experience

arranged by Miss Evans (student teacher) last week. They met **Oliver Morgan** through Zoom. He is from the Bishop's Castle area and currently at Birmingham University. I wanted to inspire the children by:

- Meeting someone who is going to the Olympics this summer
- Meet someone local to show them anything is possible
- Realise that these athletes are human (he was great with the children and talked about working on the farm in his spare time)
- Realise that people can change what they do (he started as a footballer and then found he was so good at swimming)
- Realise he is close to the world record, the time is so close and how the timing is done

Fact file research by one of the year 6 pupils, after our meeting, is shown here.

2] Swimming / 3G (Fridays) /Cricket

The £3 bus charge and permission has been loaded into Parent Pay for this week.

Oliver Morgan

Age: 21

Height: 6 feet 4 inches

Date of Birth: 11th June 2003

Achievements: beat the British record for 100m backstroke

Medals: He has a few|

Oliver Morgan has beaten the British record for 100m backstroke, he is now the record holder of it!!! He has always done 100m and 200m backstroke in his races. He has been supporting a local charity called the Dylan Price Foundation. Every day he needs to eat 6,000 calories a day and normal adult eats 2,000, so that is a lot to eat.

This is him celebrating his victory in the 100m backstroke.
